EDISON ELECTRIC INSTITUTE

INDEX TO 1958 EDISON ELECTRIC INSTITUTE BULLETIN

Volume 26

Issue	Pages
January (2 Sections)	1-32
February	33-64
March	65-96
April	97-128
May	129-160
June	161-240
July-August	241-272
September	273-304
October (2 Sections)	305-336
November	337-368
December	369-400

General Index

A

Accident Prevention Committee
Pittsburgh Meeting, 25
Toledo Meeting, 269

Accidents
Analysis of Fatal Accidents in the Electric Light and Power Industry in 1957—S. H. Young, 383

Accounting
Accounting Conference Stresses Employee Selection, Customer Service, Electronics, 131
Accounting Division Committees Plans, 339
Credit Picture, 157, 396
Electronic Accounting Machine Program Reviewed at Fifth Seminar, 27
1958 Approach to the Selecting and Training of Employees—Roland C. Becker, 139
Personnel, Programming, Taxes on Agenda of Annual Accounting Conference, 72

Accounting Conference Stresses Employee Selection, Customer Service, Electronics, 131

Accounting Division Committees Plans, 339

Advantages of the Free Enterprise System—D. Herschel Mills, 287

Air Conditioning
Comfort Twins Will Bring a New Era in Air Conditioning—Glydewell Burdick, 119

Alcoholism
Problem Drinking and Industry—Ten Years with a Company Program—S. Charles Franco, M. D., 328

American Economic System
Training Program Is Held for Leaders of 'American Economic System' Course, 142

American Electric Power Co.
American Electric Power Exceeds 5 Million Kw, 361

American Electric Power Exceeds 5 Million Kw, 361

American Freedom Course
'American Freedom' Course Is Available from the Institute, 361

'American Freedom' Course Is Available from the Institute, 361

American Standards Association
American Standards List and Index Available Free from ASA, 122
ASA Approves 'Residential Wiring Handbook', 398
New Definitions Reflect Changing Technology—Chester L. Dawes, 57

American Standards List and Index Available Free from ASA, 122

American Way
Community Leaders and Freedom—Edwin Vennard, 5
We Will Help—J. W. McAfee, 135

Analysis of Fatal Accidents in the Electric Light and Power Industry in 1957—S. H. Young, 383

Area Development
Fifth Annual Area Development Workshop, 282
Planning for Community Growth, 283
Role of Electric Companies in Area Development—Robert P. Lee, 73

ASA Approves 'Residential Wiring Handbook', 398

Atomic Power
Atomic Power: Today's Challenge—And Opportunity—Elmer L. Lindseth, 184
Biggest U. S. Nuclear Group Formed, 382
Duquesne Honored by Pittsburgh Chamber of Commerce for Building Shippingport, 95
EEI Reports to Congress on Atomic Programs of Electric Utility Companies, 75
First Electricity Generated on a Test Basis at Shippingport Atomic Power Plant, 29
1958: Year of Decision in Atomic Power—Elmer L. Lindseth, 39
Our Atomic Future—Philip Sporn, 243
Pioneer Atomic Power Plant Wins Coffin Award for Duquesne Light, 178

Atomic Power: Today's Challenge—And Opportunity—Elmer L. Lindseth, 184

Awards
Brockway and Martin Get Dow Awards, 253
Consumers Power Wins Reddy Kilowatt Annual Report Contest for 1957, 222
Five EEI Resuscitation Medals Awarded for Heroic Action, 17
'For Saving Lives of Fellow Workers', 289
47 EEI Safety Merit Awards Presented, 296
Georgia Power Wins Safety Plaque, 260
New EEI Safety Award Established, 320
94 Safety Merit Awards Presented to Electric Companies in 1957, 23
Record 8,000,000 Accident-Free Manhours Achieved by Baltimore G&E Power Transmission Stations, 20
Reserve Award Won by Southwestern G and E, 152
Sales Promotion Awards Competition, 356
10 Sales Promotion Awards Won by Eight Member Companies, 115
Three EEI Resuscitation Medals Awarded, 81

B

Better Light Better Sight Bureau
Better Light Better Sight School Book Covers, 23
BLBS Bureau Comic Book, 141
BLBS Cooperative Teaching Aid Plan, 294
BLBS Distributed 40 Per Cent More Literature in 1957, 53

Better Light Better Sight School Book Covers, 23
Better Selling Is a Must—C. A. Tatum, Jr., 202
Biggest U. S. Nuclear Group Formed, 382
BLBS Bureau Comic Book, 141
BLBS Cooperative Teaching Aid Plan, 294
BLBS Distributed 40 Per Cent More Literature in 1957, 53
Boston—EEI's 1958 Convention City, 69
Broad-Gauge Employee Information Program — Chas. E. Oakes, 227
Brockway and Martin Get Dow Awards, 253
Budgeting Billions—Maurice H. Stans, 250
Building for the Future—J. E. Corette, 321

C

Capital Requirements in an Inflationary Era—Lloyd D. Brace. 190
Celebrations
  Report on Second Science Youth Day Honoring Edison, 260
Challenges to Free Enterprise—Hon. Styles Bridges, 197
Columbia's Utility Management Workshop to Be Held July 27-Aug. 8, 90
Comfort Twins Will Bring a New Era in Air Conditioning —Glydewell Burdick, 119
Commercial
  Commercial Committees Realigned to Expedite Residential Program, 247
  Commercial Division Committees Plans, 345
  Competition, Leadership Will Be Emphasized at 24th EEI Sales Conference, 35
  HOUSEPOWER Provides Aids for $100,000 Contest, 8
  Looking Back into the Future—E. O. George, 83
  See the Whole Picture—Robert L. Coe, 13
Commercial Committees Realigned to Expedite Residential Program, 247
Commercial Division Committees Plans, 345
Committee Plans for Two Divisions, 339
Committees of the Board of Directors, 309
Communications
  Communications—Internal—Ruth Phillips Steinhauser, 15
Communications—Internal—Ruth Phillips Steinhauser, 15
Community Leaders and Freedom—Edwin Vennard, 5
Competition, Leadership Will Be Emphasized at 24th EEI Sales Conference, 35
Conductors
  Connections of Aluminum Conductors—Frank E. Sanford and James I. Fisher, 91
Connections of Aluminum Conductors—Frank E. Sanford and James I. Fisher, 91
Consolidated Edison Co. of New York, Inc.
  Problem Drinking and Industry—Ten Years With a Company Program—S. Charles Franco, M.D., 328
Consumers Power Wins Reddy Kilowatt Annual Report Contest For 1957, 222
Controlling Small Purchases—F. M. Reinhold, 151
Conventions & Meetings
  Accident Prevention Committee Meetings, 25, 269
  Accounting Conference Stresses Employee Selection, Customer Service, Electronics, 131
  Electrical System and Equipment Committee Meetings, 88, 266
  11th Round Table Conference Program—Edw. J. Brill, 275
  Hydraulic Power Committee Meeting, 263
  Insurance Committee Meetings, 24, 150
  Meter and Service Committee Meetings, 123, 393
  Personnel, Programming, Taxes on Agenda of Annual Accounting Conference, 72
  Powerful Residential Promotion Program Urged at EEI Sales Conference, 111
  Prime Movers Committee Meetings, 124, 267
  Transmission and Distribution Committee Meetings, 89, 264, 394
  Vendor and Warehousing Operations Stressed at Purchasing and Stores Annual Meeting, 134
Corette Questions the Fairness of Tax-Free Government Power, 298
Cost Control
  Cost Control Through Selection and Training—DeWitt Pike, 362
Cost Control Through Selection and Training—DeWitt Pike, 362
Countdown to Oblivion—Robert R. Gros, 223
Credit Picture, 157, 396

D

Data Gathered by Industry Executives During Russian Tour Undergoes Analysis, 326
Dayton Power and Light Co.
  Expansion and Modernization of the Frank M. Tait Generating Station, The Dayton Power and Light Co.—I. C. Eppley, H. E. Gismond and R. B. Killen, 49
Detroit Edison, Cisler Commended, 381
Detroit Edison Co.
  Brockway and Martin Get Dow Awards, 253
  Detroit Edison, Cisler Commended, 381
Duquesne Honored by Pittsburgh Chamber of Commerce for Building Shippingport, 95
Duquesne Light Co.
  Pioneer Atomic Power Plant Wins Coffin Award for Duquesne Light, 178

E

Edison, Thomas A.
  Report on Second Science Youth Day Honoring Edison, 260
Education
  'American Freedom' Course Is Available from the Institute, 361
  Our Experience With the Metal Sheath Electric Heater Course—Robert R. Johnson, 45
  Scholarships Awarded, 253
  Training Program Is Held for Leaders of 'American Economic System' Course, 142
  Wisconsin Public Service Sponsors Fourth Farm Scholarship Program, 24
EEI Accounting Conference
  Accounting Conference Stresses Employee Selection, Customer Service, Electronics, 131
EEI Board of Directors Approves New Electric Living Program, 319
EEI Committees
  Accident Prevention Committee Meetings, 25, 269
  Accounting Division Committees Plans, 339
  Commercial Committees Realigned to Expedite Residential Program, 247
  Commercial Division Committees Plans, 345
  Committee Plans for Two Divisions, 339
  Committees of the Board of Directors, 309
  EEI Committees Continue Progress in New Administrative Framework, 307
  Electrical System and Equipment Committee Meetings, 88, 266
  Engineering and Operating Division Committees, 310
  General Division Committees, 315
  Hydraulic Power Committee Meeting, 263
  Insurance Committee Meetings, 24, 150
  Meter and Service Committee Meetings, 123, 393
  Prime Movers Committee Meetings, 124, 267
  Transmission and Distribution Committee Meetings, 89, 264, 394
  Vendor and Warehousing Operations Stressed at Purchasing and Stores Annual Meeting, 134
EEI Committees Continue Progress in New Administrative Framework, 307
EEI Convention
  About The Speakers, 101
  Atomic Power: Today's Challenge—And Opportunity—Elmer L. Lindseth, 184
  Better Selling is a Must—C. A. Tatum, Jr., 202
  Boston—EEI's 1958 Convention City, 69
  Broad-Gauge Employee Information Program—Chas. E. Oakes, 227
  Capital Requirements in an Inflationary Era—Lloyd D. Brace, 190
  Challenges to Free Enterprise—Hon. Styles Bridges, 197
  Countdown to Oblivion—Robert R. Gros, 223
  EEI Plans New National Electrical Living Promotion Program, 178
  Exciting New Era Seen for the Industry at 26th EEI Convention, 163
  Greetings From Latin America—Jose Rivera R., 226
  Health Is Also Your Business—Sara M. Jordan, M.D., 205
  High Cost of Redemption—Admiral Ben Moreell, 233
  Is Your Top Management 'Tops'?—S. L. Drumm, 208
  King (Allen S.) Elected Vice President of Edison Electric Institute, 167
  New Members of the EEI Board of Directors, 164
  New President of the Institute, 165

1958-1979—Obligations and Challenges—J. W. McAfee, 169
Place of Public Relations in Modern Management — Anthony G. De Lorenzo, 212
Remarks of J. E. Corette in Accepting Presidency of the Edison Electric Institute, 166
Shape of Things to Come—Ralph J. Cordiner, 179
Three-Legged Stool Supports Free Enterprise in the Utility Industry—Hon. Alan S. Boyd, 194
26th Annual EEI Convention to Stress that 'Power Is Our Business,' 67
26th EEI Convention Program Forecasts a Bright but Challenging New Era, 99
Where Do We Go From Here—And How Do We Get There?—Sherman R. Knapp, 217
EEI General Office Moves April 25 to 750 Third Ave., New York, 68
EEI General Office Relocated, 143
EEI Membership
Four Companies Approved For EEI Membership, 392
EEI's 1958 $100,000 Housepower Contest Attracts Over 300,000 Entries, 285
EEI Plans New National Electrical Living Promotion Program, 178
EEI Publications
ASA Approves 'Residential Wiring Handbook,' 398
EEI Publications and Service Material, 299
New Directory of Training Aids Published by Institute, 122
1958 Edition of 'I Want to Know' Is Available, 138
Recent EEI Publications, 38, 79, 298
Report on Electrically Heated Schools, 392
Safety Booklet Available, 272
EEI Publications and Service Material, 299
EEI Reports to Congress on Atomic Programs of Electric Utility Companies, 75
EEI Sales Conference
Powerful Residential Promotion Program Urged at EEI Sales Conference, 111
Ultimate Objective of Sales—J. W. McAfee, 106
Why We Chose Electric Heat—Hugo E. Beck, 147
Work of Groups, Committees, Allies Commended at Sales Conference—T. O. McQuiston, 117
EEI Sponsors Tree Growth Control Project, 284
18th Young Men's Utility Conference of Indiana to Be Held April 8-9, 56
Electric Industry
Electric Industry, Past and Future—Kinsey M. Robinson, 357
100-Millionth Kw of Electric Company Generating Capacity Goes into Operation, 141
We Will Help—J. W. McAfee, 135
Electric Industry, Past and Future—Kinsey M. Robinson, 357
Electric Kitchen for Jail Called a 'Must,' 122
Electric Living Program
EEI Board of Directors Approves New Electric Living Program, 319
Electric Power From Steam Geysers, 297
Electric Utility Industry Executives Visit Russia, 281
Electrical System and Equipment Committee
Dayton Meeting, 88
Minneapolis Meeting, 266
Electronic Accounting Machine Program Reviewed at Fifth Seminar, 27
11th Round Table Conference Program—Edw. J. Brill, 275
Employee Information
Broad-Gauge Employee Information Program—Chas. E. Oakes, 227
Employee Relations
Communications—Internal—Ruth Phillips Steinhauser, 15
How We Selected and Trained System Operators—R. N. Youtz, 153
Employee Training
Cost Control Through Selection and Training—DeWitt Pike, 362
How We Selected and Trained System Operators—R. N. Youtz, 153
1958 Approach to the Selecting and Training of Employees—Roland C. Becker, 139
Training Program Is Held for Leaders of 'American Economic System' Course, 142
Engineering and Operating Division Committees, 310
Engineer's View of Russian Power—Walker L. Cisler, 371
Exciting New Era Seen for the Industry at 26th EEI Convention, 163
Executive Health
Health Is Also Your Business—Sara M. Jordan, M.D., 205
Expansion and Modernization of the Frank M. Tait Generating Station, The Dayton Power and Light Co.—I. C. Eppley, H. E. Gismond and R. B. Killen, 49
Extensive Celebration Scheduled for National Electrical Week, 12

F

Farm Better . . . Electrically (Promotional Materials), 54
Fifth Annual Area Development Workshop, 282
Financing
Capital Requirements in an Inflationary Era—Lloyd D. Brace, 190
First Electricity Generated on a Test Basis at Shippingport Atomic Power Plant, 29
Five EEI Resuscitation Medals Awarded for Heroic Action, 17
'For Saving Lives of Fellow Workers,' 289
Forecasting
1958-1979—Obligations and Challenges—J. W. McAfee, 169
Shape of Things to Come—Ralph J. Cordiner, 179
What Next for the User of Electricity? — Tomlinson Fort, 257
47 EEI Safety Merit Awards Presented, 296
Four Companies Approved for EEI Membership, 392
Franklin, Benjamin
Use of Electricity in Cooking Envisioned by Benjamin Franklin in 1749, 55
Free Enterprise
Advantages of the Free Enterprise System—D. Herschel Mills, 287
Challenges to Free Enterprise—Hon. Styles Bridges, 197
Freedom
Community Leaders and Freedom—Edwin Vennard, 5

G

Gas-Cooled Reactor
Biggest U. S. Nuclear Group Formed, 382
General Division Committees, 315
Generation
American Electric Power Exceeds 5 Million Kw, 361
Expansion and Modernization of the Frank M. Tait Generating Station, The Dayton Power and Light Co.—I. C. Eppley, H. E. Gismond and R. B. Killen, 49
100-Millionth Kw of Electric Company Generating Capacity Goes Into Operation, 141
Georgia Power Builds First Tubular Pole Line in Nation, 125
Georgia Power Co.
Georgia Power Builds First Tubular Pole Line in Nation, 125
Georgia Power Wins Safety Plaque, 260
Georgia Power Wins Safety Plaque, 260
Give Better Electrically Is Theme of Electric Housewares Promotion, 246
Government Encroachment
High Cost of Redemption—Admiral Ben Moreell, 233
Government Ownership
Building for the Future—J. E. Corette, 321
Threat of Government Operations—Our Common Problem—J. W. McAfee, 377
Government Power
Building for the Future—J. E. Corette, 321
Corette Questions the Fairness of Tax-Free Government Power, 298
$7.5 Billion Cost of Federal Projects with Power Installations, 288
Threat of Government Operations—Our Common Problem—J. W. McAfee, 377
Government Spending
Budgeting Billions—Maurice H. Stans, 250
Greetings From Latin America—Jose Rivera R., 226

H

Health Is Also Your Business—Sara M. Jordan., M.D., 205
Heat Pumps
Report on Heat Storage, 261
Heat Storage
Report on Heat Storage, 261
High Cost of Redemption—Admiral Ben Moreell, 233
Hints For Speeding Mail Service, 122, 216

HOUSEPOWER
EEI's 1958 $100,000 HOUSEPOWER Contest Attracts Over 300,000 Entries, 285
HOUSEPOWER Provides Aids for $100,000 Contest, 8
HOUSEPOWER Comic Book Available from NEMA, 122
'Reader's Digest,' 'Monitor' to Spearhead EEI's Fall HOUSEPOWER Program, 248
Report on HOUSEPOWER Shows Homeowners Aware of Wiring, 113
HOUSEPOWER Comic Book Available From NEMA, 122
How We Selected and Trained System Operators—R. N. Youtz, 153
Hydraulic Power Committee
Fresno Meeting, 263

I

IEC, What It Is and Hopes to Do—Glenn S. Young, 43
Impressions of Russia—Elmer L. Lindseth, 373
Industrial Electrification Council
IEC, What It Is and Hopes to Do—Glenn S. Young, 43
Our Experience with the Metal Sheath Electric Heater Course—Robert R. Johnson, 45
Resolutions Honor Skinner, Hartman for NEW, Electrification Council, 368
Industrial Relations
11th Round Table Conference Program—Edw. J. Brill, 275
Insurance Committee
Dallas Meeting, 150
Dearborn Meeting, 24
International Relations
Detroit Edison, Cisler Commended, 381
Is Your Top Management 'Tops'?—S. L. Drumm, 208

K

King (Allen S.) Elected Vice President of Edison Electric Institute, 167

L

Live Better Electrically
Give Better Electrically Is Theme of Electric Housewares Promotion, 246
Looking Back into the Future—E. O. George, 83

M

Management
Is Your Top Management 'Tops'?—S. L. Drumm, 208
The Electric Industry, Past and Future—Kinsey M. Robinson, 357
3-D Decision Making—Harllee Branch, Jr., 277
Tomorrow's Management—Robert T. Person, 9
Materials Included in the 'American Freedom' Course, 354
Meter and Service Committee
Corpus Christi Meeting, 393
Philadelphia Meeting, 123

N

National Electrical Manufacturers Association
HOUSEPOWER Comic Book Available From NEMA, 122
National Electrical Week
Extensive Celebration Scheduled for National Electrical Week, 12
National Electrical Week Participation Increases, 56
National Electrical Week Plans Announced, 355
NEW Celebration, 177
Resolutions Honor Skinner, Hartman For NEW, Electrification Council, 368
National Electrical Week Participation Increases, 56
National Electrical Week Plans Announced, 355
National Industrial Heating Conference
Proceedings of Heating Conference Available, 95
NEW Celebration, 177
New Definitions Reflect Changing Technology—Chester L. Dawes, 57
New Directory of Training Aids Published by Institute, 122
New EEI Safety Award Established, 320
New Members of the EEI Board of Directors, 164
New President of the Institute, 165
1958 Approach to the Selecting and Training of Employees —Roland C. Becker, 139
1958 Edition of 'I Want to Know' Is Available, 138
1958-1979—Obligations and Challenges—J. W. McAfee, 169
1958: Year of Decision in Atomic Power—Elmer L. Lindseth, 39
19th Reddy Contest, 11
94 Safety Merit Awards Presented to Electric Companies in 1957, 23
Nuclear Power
(See Atomic Power)
